# 1: Vision and Values

## **LIME WALK PRIMARY SCHOOL - A CREATIVE, CONFIDENT COMMUNITY**

**Lime Walk Primary School's vision is to work in partnership to provide an inclusive, safe and stimulating environment which inspires a creative, confident community of lifelong learners.**

**We endeavour to tackle prejudice and promote understanding as part of our general duty to promote equality - to eliminate discrimination, advance equality of opportunity and foster good relations between different groups.**

Our vision for our pupils is that within an inclusive safe and stimulating environment we inspire them to become creative, confident individuals who achieve their full potential. We support them to develop into independent lifelong learners who are respectful, valued members of the community.

Our vision is to further develop positive respectful links with parents and carers by providing a welcoming and accessible school which aims to collaborate with families so that together we can support parents/carers and their children in their education and wellbeing.

Our vision is to establish effective partnerships with individuals and groups within the local and wider community by developing strong links with them, utilising the additional skills and experiences they provide and in so doing seize opportunities to enhance community cohesion so that the children and their families put their learning into context, and see themselves as an important part of society.

## 3 : Legal Background

Our school is committed to meeting its public sector statutory duties as detailed below. We understand that the duties apply to service delivery and employment and staff management as well as policy development and implementation.

### **Our General Duty under the Equality Act 2010:**

The purpose of this policy is to set out how our practice and policies have due regard to the need to:

**eliminate discrimination**, harassment, victimisation and any other conduct that is prohibited by or under this Act.

**advance equality of opportunity** between persons who share a relevant protected characteristic and persons who do not share it

**foster good relations** between persons who share a relevant protected characteristic and persons who do not share it.

### **The Specific Duties of the Act enable schools to meet their obligations under the Public Sector Equality Duty ( PSED)**

#### **The specific duties require schools to:**

*Publish annually information quantitative and qualitative, showing compliance with the public sector equality duty (PSED) set out in clause 149 of the Equality Act 2010.*

*To set every four years one or more specific measurable equality objectives that furthers the aims of the equality duty.*

### **Protected Characteristics**

*The Equality Act 2010 protects pupils from discrimination and harassment based on protected characteristics. The protected characteristics for school provisions are:*

*age (for staff only)*

*disability*

*ethnicity and race*

*gender (sex)*

*gender identity and reassignment*

*pregnancy, maternity and breast feeding*

*religion and belief*

*sexual orientation*

*marriage and civil partnership (for staff only)*

### **Disability**

The disability provisions in this Act are different from those for other protected characteristics in a number of ways, including a more complex definition of what constitutes discrimination. Schools may, and often must, treat disabled pupils more favourably than non-disabled pupils by making reasonable adjustments to ensure that a disabled pupil can benefit from what they offer to the same extent that a pupil without a disability can.

At Lime Walk School we implement accessibility plans which are aimed at:

- increasing the extent to which disabled pupils can participate in the curriculum;
- improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided;
- improving the availability of accessible information to disabled pupils.

**Provision for disabled pupils is closely linked with the existing provisions for pupils with special educational needs.**

**These are the same duties as previously existed under the DDA and have been replicated in the Equality Act 2010.**

### **Community Cohesion**

*Community Cohesion supports good practice in educating pupils/students about equality and diversity. It contributes to the school's efforts to provide a broad, balanced curriculum and for children to have opportunity to learn about and make links with the local community.*

# 5: Stakeholder Consultation

## **Involving our learners, parents/carers and other stakeholders**

Our school is committed to encouraging everyone to contribute to the development and review of all policies and practices affecting the life of the school and its impact within the wider community. We have involved a number of staff, pupils, parents and others with particular interests in the development of this scheme. We will continue to consult various stakeholders on this scheme and on our policies (see our Action Plan). When deciding what to do to tackle equality issues, we will consult and engage both with people affected by our decisions – parents, pupils, staff, members of the local community – and with people who have special knowledge which can inform the school's approach. Evidence of this engagement will be included in the published information showing how the duty has been addressed.

## **Governor Expenses**

There should be no barrier to any member of the community be it financial, physical, or personal to them being considered to be a governor. Of that end any parent governors have to apply and then there is a due course of elections until the new member is elected onto the committee (after passing all relevant safeguarding procedures etc.) Also each governor is able to claim expenses (as agreed in the governor expenses procedure documentation) in order for them to take the position of governor at Lime Walk Primary School.

## **Disability**

Disabled people will be involved through questionnaires and discussions about adjustments that we need to make in order to make the school more accessible to them and their children.

## **Gender**

Our staff, pupils and their parents and other interested parties will be consulted and involved in on-going discussions to promote gender equality.

## **Race**

Children from different ethnic groups will be consulted and involved in on-going discussions to promote race equality.

## **Community cohesion**

We will maintain links with current contacts within the community (faith groups, community police, local secondary school and extended schools) and seek to establish links with a broader range of faith groups.

## **Other**

We will build and maintain close links with Dacorum Local Partnership of Schools in order to identify and cater for the needs of vulnerable children and their families.

## 6: Impact Assessment

Evaluating the impact in terms of the outcomes  
Impact assessment statement

All school policies will be equality impact assessed with regard to disability, gender and race at the time of review and issues arising will be carried forward into the equality action plan. Additionally, in Section 4 (Roles and responsibilities) of our equality scheme a detailed table can be found showing staff responsibilities for gathering and monitoring data on an ongoing basis. All assessment data is now broken down into vulnerable groups. Eg. SEN, EAL and Pupil Premium (FSM) pupils. The Senco and EAL teacher's timetable is adjusted according to need after each termly pupil progress meeting. A full report of outcomes will be presented to the governors at their summer term meeting.

The Equality scheme will link into key school improvement initiatives which can be found in the school's Development Plan.

### Equality Impact Assessment (EQIAs)

EQIAs help us to analyse whether what we are planning potentially has a differential impact on one or more particular group (either positively or negatively). EQIAs help us to ensure that there is no unlawful discrimination against certain individuals or groups and that the positive duties are promoted. We undertake impact assessments in a relevant, proportionate and systematic way. They are incorporated into the school's planned review and revision of every policy and are also undertaken through other established criteria in screening process.

<b>EQUA</b>	<b>Data Collected</b>
Bullying and racist incidents	Headteacher reports termly incidents to Governors. (see Governors minutes)

This equality policy links other key policies such as admissions, disciplinary procedures, race and equal opportunities policy, as well as behaviour to ensure all staff, children, and parents have equal opportunity and are exempt from discrimination.

## 7: Our School's Equality Priorities

Key priorities for action
