11th September 2013

Dear Parents,

Healthy School Meals and Home Packed Lunches

With the new intake of pupils each September, it is worth reminding parents about expectations for food and snacks that children bring into school.

Some of our pupils suffer from severe food allergies including, in particular, nut allergies. We ask that you **DO NOT** send nut products including peanut butter, Nutella, cashews and pistachios in home packed lunch boxes or as mid-morning snacks as these would cause severe reactions.

Our school lunch menu can be adapted for children who have dietary requirements so please speak to the office if you would like this to be arranged.

Mid-day supervisors have asked me to mention that they are concerned about the nutritional content of some lunch boxes, please read the leaflet accompanying this letter for ideas to include in a healthy packed lunch.

If you believe you are entitled to apply for Free School Meals please telephone 0300 123 4048.

Yours truly,

Mrs Angela C Belgrove
Headteacher
